

2023 Curry Senior Center Organization Sponsorship Opportunities

Come celebrate at our events, volunteer, and learn about the aging of the body and mind.

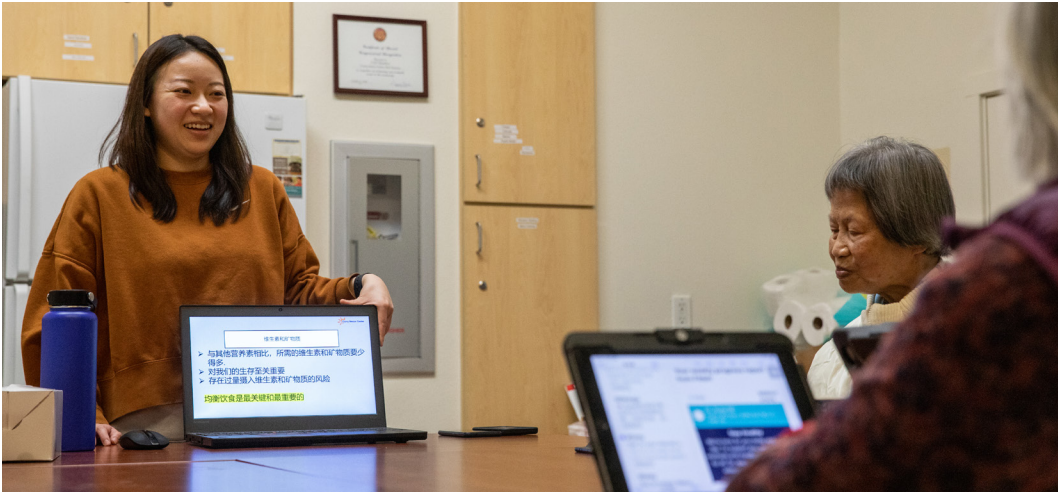

What Your Sponsorship Means

Curry’s 50th anniversary in 2022 gave us the opportunity to reflect on our work so far, while also looking toward the future. One of our goals for 2023 is to continue to provide a safe space for authentic self-expression for our clients. We aim to achieve this goal and improve our clients’ lives through social and cultural connectivity and community engagement; access to, and knowledge of, self-care; and self-management of personal health.

Sponsorship helps Curry’s services and programs, all of which support our core principle of having a positive and lasting impact on our seniors and the community. Your support is an organization-wide sponsorship for the entire year with benefits including the Fall Fundraiser, Bocce Competition & Social, and “Aging of the Body and Mind” classes. We invite you to sponsor and be recognized as we continue to support wellness, dignity, and independence for older adults.
