

## 2024 Curry Senior Center Organization Sponsorship Opportunities

Come celebrate at our events, volunteer, and learn about the aging of the body and mind.

In 2023, Curry Senior Center had much to celebrate: expanded services, the return of in-person dining in our dining room, additional volunteer opportunities, and the grand opening of our Tech and Wellness Hub+. For 2024, we've already begun offering our clients an innovative holistic approach to wellness by targeting the social determinants of health and addressing them in all our programming.

For example, Nellie, one of Curry's participants, would need to make several trips a week on the bus just to pick up fresh groceries due to the lack of grocery stores in the Tenderloin. But now through Curry Senior Center's grocery program, Nellie is able to pick up fresh fruits, vegetables, and healthy proteins like eggs and fish before she visits with her friends at the computer lab while they wait for art classes to start. This is just one of several components that create economic stability, access to quality education and healthcare, and bring positive impact to the neighborhood community and built environment.

Your sponsorship is instrumental in enabling Curry Senior Center to continue providing essential services and programs that leave a positive and lasting impact on our seniors and the wider community. In addition, investing in Curry's 2024 organization-wide sponsorship comes with terrific benefits, including participation in our Fall Fundraiser, the Bocce Competition & Social event, and exclusive access to "Aging of the Body and Mind" classes.

We warmly invite you to sponsor Curry Senior Center and become recognized as a vital partner in our mission to promote wellness, dignity, and independence for older adult residents of San Francisco's Tenderloin. Together, we can make an enduring difference in the lives of those we serve.

Sincerely,

Shirley Quitugua, President
