

Click on the Organization Name for details about the registration or report record. The maximum number of records shown per page is 50. If there are multiple pages of the search results, the clickable page numbers will be displayed at the bottom. If you get too many results or do not find the organization for which you are searching, click the **'Search Again'** button and change the search criteria. It is best to search by something that is as unique to the organization as possible such as State Charity Registration Number, FEIN, SOS Corporate Number, or an unusual portion of their name. To see all registration and report records associated with an organization, avoid searching by State Charity Registration Number as that is record-specific.
